Disclosure Policies & Accreditation

As a program jointly provided by The Aesthetic Society and American-Brazilian Aesthetics Meeting (ABAM), we must ensure balance, independence, objectivity and scientific rigor in our educational activities. All planners, presenters and faculty members are required to disclose all relevant financial relationships with commercial interests in advance of the activity. Anyone who refuses to disclose will be removed. All disclosures are reviewed by The Aesthetic Society & ABAM. Conflicts of interest are identified and mitigated in advance of the activity.

All planners, presenters and faculty members' disclosures will be provided to the audience in advance of the activity and via slides. Additionally, all presenter disclosures will be announced verbally.

Additionally, if any unapproved or off label use of a product is to be referenced in a CME program presentation, the presenter is required to disclose that the product is either investigational or it is not labeled for the usage being discussed. The Aesthetic Society & ABAM shall convey any information disclosed by the presenter to the CME program audience prior to the activity. ABAM does not allow commercial interests to influence the planning of our educational activities. The Aesthetic Society & ABAM adhere to the ACCME Standards for integrity and independence.

****All relevant financial relationships have been mitigated****

Accreditation:

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through joint providership of The American Society for Aesthetic Plastic Surgery, Inc. (The Aesthetic Society) and the American Brazilian Aesthetic Society. The American Society for Aesthetic Plastic Surgery (The Aesthetic Society) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Aesthetic Society designates this live activity for a maximum of *15.25 AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Of the *15.75 AMA PRA Category 1 Credits*, 1.5 have been identified as applicable to patient safety. 

This activity will address the following ACGME/ABMS competencies:

- Patient Care
- Procedural Skills
- Medical Knowledge
- Systems-Based Practice

Jointly provided by

2023 Program Objectives

At the completion of this CME activity, registrants will be able to:

- Review current techniques in facial rejuvenation (surgical and non-surgical), body contouring, abdominoplasty and breast surgery.
- Discuss patient safety in aesthetic surgery.
- Discuss patient safety in facial, breast and body procedures.
- Analyze body contouring procedures to increase patient safety outcomes.
- Review current practice management and marketing topics applied to aesthetic practices.
- Review the safety and efficacy of BBL surgery to improve patient outcomes.
- Review current trends in breast surgery including ALCL, BII, indications and treatments for explanation and mastopexy.

2023 ABAM NOTES

This image shows a full page of blank, lined paper. It features approximately 20 evenly spaced horizontal grey lines across its entire width, providing a guide for handwriting or typing. The paper itself is a clean, off-white color.

FUNDS RAISED

ABAM raised \$50,000 in 2022 to support women.

DEDICATION

ABAM raised \$50,000 in 2022 to support women across the nation diagnosed with breast cancer totaling \$500,000 over the past 15 years .

IMPACT

In 2022, Image Reborn served **227** survivors through personal renewal retreats and virtual workshops.

In 2023, we anticipate serving an even greater number of breast cancer survivors through in person weekend retreats and ongoing care through virtual programs.
