Frequently Asked Question About ABAM

Why was ABAM Created?

Dr. Renato Saltz, the Chair and Founder of the American-Brazilian Aesthetic Meeting, wanted to create a forum of some of the top minds in all the Aesthetic space to come together and share their expertise and create a learning and collaborative environment. As an American-Brazilian himself, this meeting that started 16 years ago was conducted in alternating years between Brazil and Park City ABAM now finds its home location each winter season in Park City, Utah where it has evolved into the best most well attended Aesthetic Ski Meeting in the world.

What are the demographics of the participants?

ABAM historically represents 20+ different countries with 70% of the attendees based in the US and 30% international. Generally, with a larger mix of US, Brazil, Mexico, Turkey, France, Spain, Italy, UK, Argentina, and Australia. Our Faculty is composed of Key Opinion Leaders (KOL's) from the US and around the world, presenting cutting edge techniques that make ABAM an unique opportunity for learning, and providing industry sponsors an arena to intermingle with top decision makers in aesthetics.

What is a Ski Meeting?

ABAM is the largest Plastic Surgery Ski Meeting in the world. There are AM and PM sessions each day, with mid-day breaks for skiers, snowboards, and general lovers of the Park City area to go and explore. These breaks allow for fun, and larger attendance during the meeting. We encourage our exhibiting partners and sponsors to intermingle with our attendees on the slopes as well!

What variety of disciplines in Plastic Surgery are represented at the event?

This is a multi- disciplinary event. Presenters are of the top KOLs of the four core aesthetics: plastic surgery, dermatology, facial plastics and oculoplastic.

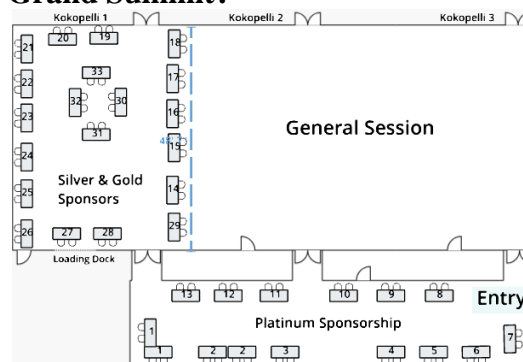

What are you expecting on attendance numbers?

We continue to grow each year, averaging between 250-300 guests. This boutique sized meeting creates an environment for more personalized connections with exhibitors and aesthetic professionals to build partnerships and maximize on ROI opportunities.

How is this meeting Non-Profit?

All net profits go directly to the Image Reborn Foundation. A foundation for breast cancer survivors that provides retreats and continued support of a community. To learn more about this special cause, go to the imagerebornfoundation.org
